SDHC™ CLASS 4

Reliable, High-Capacity Storage for Photos and More

Lexar offers a comprehensive line of award-winning memory cards in various speeds, formats, and capacities. With so many options, it's easy to find the right Lexar® memory card to fit your needs and lifestyle.

The Lexar Secure Digital High Capacity (SDHC™) card greatly increases the storage capacity of your SDHC-enabled point-and-shoot digital camera or other device. The standard Lexar SDHC card is available in 4GB, 8GB, 16GB, and 32GB capacities.

Do More with Your Digital Device

Enhance Your Digital Experience. Designed for use with SDHC digital cameras or other SDHC-compatible devices, the Lexar SDHC card gives you the capacity and power to capture more of what matters, allowing you to save and store your vacation photos, favorite songs, and video clips from last weekend's soccer game. For photo enthusiasts and those interested in safely storing precious memories, using a high-capacity Lexar SDHC card means you always have the extra storage capacity to capture that perfect moment.

The Brand Trusted by Professionals. Lexar is the brand trusted by professional photographers. This means you can snap and store photos with confidence, knowing your Lexar memory card is delivering the performance and reliability your memories deserve. The card also has a built-in erasure prevention switch to ensure that your files can't be accidentally deleted or overwritten. Complete with reliable high-capacity storage, the Lexar SDHC card is an excellent solution to your storage needs.

Lexar offers a comprehensive line of innovative, award-winning memory products in several categories, including memory cards, card readers, DRAM, USB flash drives, and portable backup drives. With so many options, it's easy to find the right Lexar solution to fit your needs.

Lexar. When Memory Matters.™

Some of the listed storage capacity is used for formatting and other purposes and is not available for data storage. 1GB equals 1 billion bytes. For more information, go to www.lexar.com/capacity.
